

Welcome to the
Cambridge International Education (CIE)
Wing of Elpro International School

The Cambridge Programme at Elpro International School

Established in 2018–19, the Cambridge Wing at Elpro International School was envisioned as a progressive space that blends innovation with tradition, preparing learners to thrive in a fast-evolving world.

At Elpro, our mission is to ensure that every learner achieves personal excellence and is equipped with futuristic skills for a technology-driven era. We aspire to shape strong individuals who are energetic, respectful, empathetic, and fearless in exploring possibilities.

Our vision is to be a premier institution that nurtures a growth mindset, instils universal values, and equips learners with high emotional intelligence and technological competence to face the challenges of the 21st century. Through the Cambridge Wing, we are building a community of mindful, impactful, and compassionate global leaders.

Our Mission

To ensure that our learners achieve personal excellence and are ready for a technology-driven world, with futuristic skills. We strive to make strong individuals, who are energetic, respectful, empathetic and focused, embarking on a journey of possibilities without the fear of failure.

Our Vision

To be the premier educational institution that provides its learners with an environment that inculcates a growth mindset, instil universal values and to equip them with high Emotional Intelligence and technological skills to face the 21st Century. Elpro International School would like to build a community of mindful, impactful and empathetic world leaders.

Message from the Director Principal

Dear Students and Parents,

"Education is the most powerful weapon which you can use to change the world."
– Nelson Mandela

Welcome to the **Cambridge International Wing at Elpro International School**. Since its inception in **2018–19**, this wing has embodied our commitment to providing a progressive and globally relevant education—one that nurtures academic excellence while building empathy, resilience, and integrity in every learner.

At Elpro, we believe education must go beyond traditional boundaries. The Cambridge curriculum empowers students to think critically, embrace diversity, and grow into lifelong learners who are ready to take on the challenges of a technology-driven world. Over the years, we have witnessed remarkable improvement in academics, alongside the growth of creativity, confidence, and global outlook in our learners.

Together, as students, parents, and educators, we continue to create a community where every milestone is celebrated and every challenge is transformed into an opportunity to learn. With this spirit, we prepare our learners to become impactful, future-ready citizens who will change the world.

Dr. Amrita Vohra
Director Principal,
Elpro Group of Schools

Awards and Accolades 2025

Why Cambridge International Education?

Success in Cambridge qualifications often gives students admission to the world's best universities – in the US, the UK, Australia, Canada, Germany and beyond. University of Cambridge International Examinations is the world's largest provider of international qualifications for 14–19 year olds.

Cambridge International General Certificate of Secondary Education (IGCSE) is the world's most popular international curriculum for 14–19 year olds, leading to globally recognized and valued Cambridge IGCSE qualifications.

Cambridge learners are:

Over 70 subjects are available, including more than 30 language courses, offering a variety of routes for learners of different abilities. Cambridge IGCSE develops learner knowledge, understanding and skills in:

9,000 schools in over 160 countries are part of the Cambridge learning community. A Cambridge international education is progressive and flexible, helping schools develop successful students.

Message from the Headmistress – CIE Wing

At Elpro International School, the Cambridge International (CIE) Wing embodies our belief that education should empower students to explore, inquire, and innovate. The Cambridge curriculum encourages learners to think independently, question deeply, and connect their knowledge to real-world contexts.

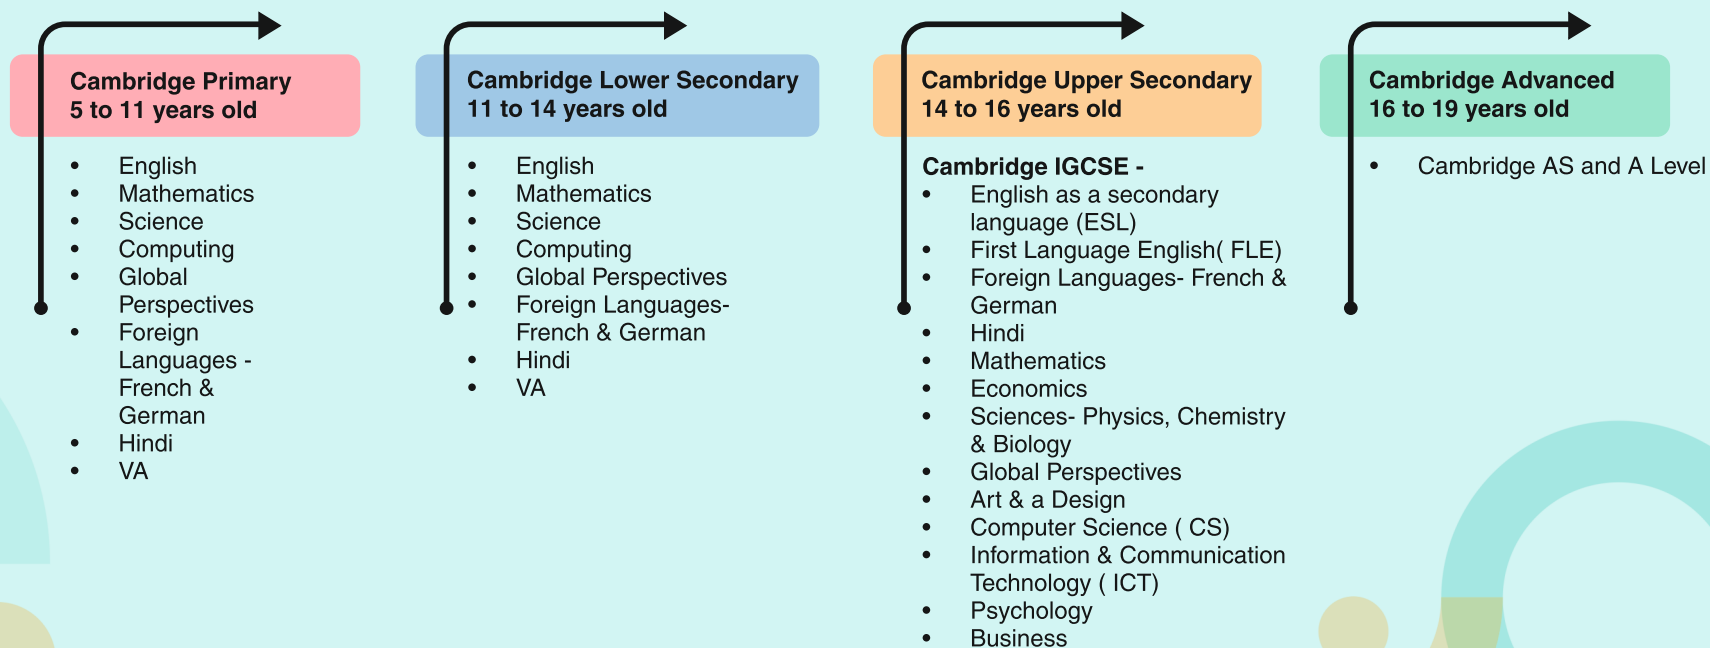

Our classrooms are dynamic spaces where global perspectives blend seamlessly with Indian values, fostering confidence, compassion, and curiosity in every learner. We emphasize not only academic excellence but also the development of skills such as collaboration, creativity, and resilience — the hallmarks of future-ready individuals.

Through personalized guidance and experiential learning, we aim to shape lifelong learners who are equipped to thrive in an interconnected world. At Elpro, every child's journey is unique, and our role is to nurture that journey with care, inspiration, and purpose.

Ms. Riju Parashari
Headmistress
CIE Wing

The Cambridge Edge at Elpro

At Elpro International School, the Cambridge Wing reflects our vision of a future-focused education — one that nurtures curiosity, global understanding, and a lifelong love for learning. Rooted in the Cambridge International Education (CIE) framework, we offer a learning experience that balances academic depth with creative exploration and personal growth.

Inspired Educators, Empowered Learners

Our teachers are the heart of our Cambridge community.

They are:

- Innovators who design dynamic, inquiry-led classrooms
- Collaborators who encourage discussion, experimentation, and teamwork
- Mentors who help students think critically and act responsibly

Every classroom experience is designed to build confidence, spark imagination, and foster independent thinking — preparing learners to navigate an ever-evolving world.

Learning that Transcends the Classroom

The Cambridge Wing thrives on experiences that make learning come alive:

- Global Perspectives Exhibitions and Subject Festivals that spark curiosity
- Art Showcases and The Human Library that celebrate creativity and empathy
- Educational Field Trips that transform theory into experience

Through these rich engagements, our learners embody the Cambridge Learner Attributes — becoming confident, responsible, reflective, innovative, and engaged citizens of tomorrow.

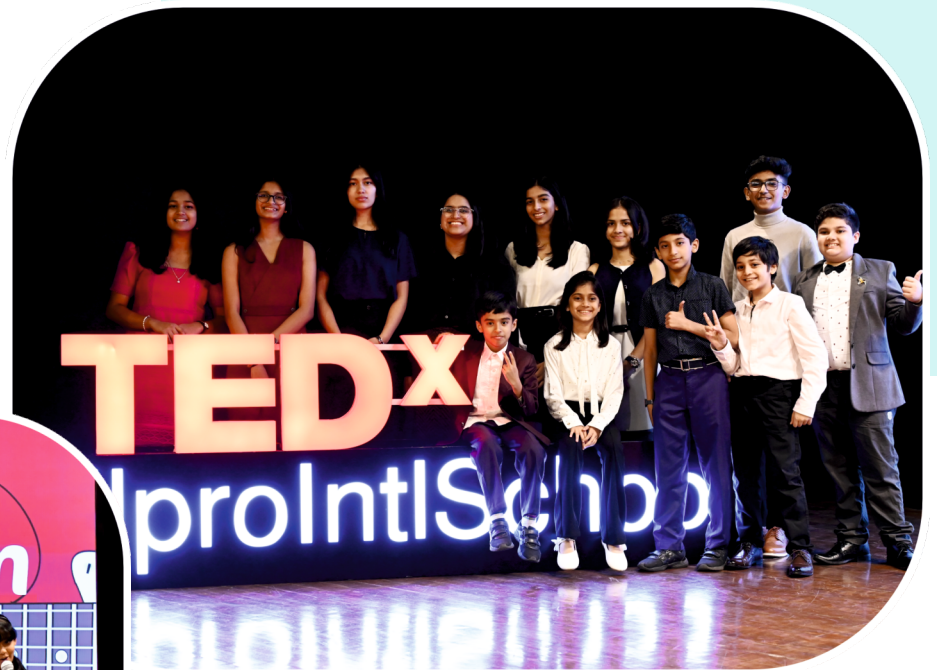

Global Outlook, Local Roots

We celebrate diversity and global connection throughout the year with:

World Peace Day, Earth Day, French Day, German Unity Day, International Mindedness Day, Human Library, International Literacy Day, World Book Day, and more

Our weekly hobby clubs add colour and creativity to learning, helping students discover passions and develop skills beyond the curriculum.

Learning with Purpose and Passion

At Elpro International School (CIE), education is about more than academic excellence — it's about discovering purpose. Our Cambridge classrooms nurture passion, curiosity, and compassion in equal measure. We empower learners to think deeply, act responsibly, and create impact in an interconnected world.

Voices from Our Cambridge Community

Student Testimonials

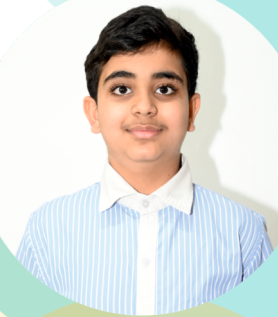

“My experience at EIS Cambridge has been extremely delightful since the past year. The Cambridge curriculum here has helped me grow as an individual. This wouldn't have been possible without our wonderful headmistress who provides us with endless support as well as our industrious teachers who are there with us at each step and of course the enthusiastic peers who have always motivated and supported me.”

Kanishka Chandwani
Grade 9

“Our teachers make learning engaging and meaningful by connecting lessons to real-life examples. They are warm, approachable, and always ready to help us understand every concept with patience and care. The environment is positive and supportive, and every day brings new opportunities to explore and grow. I'm proud to be a part of the Elpro family.”

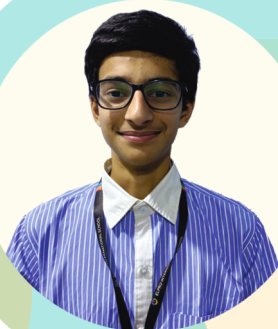

Arsh Choudhary
Grade 5

“Looking back at my journey at EIS Cambridge, I feel grateful for the nurturing environment, collaborative learning, and strong friendships I built. The teachers guided me with care, innovative methods, and endless encouragement, while assemblies, events, and camps offered countless opportunities to grow beyond academics. From anchoring assemblies to performing music, every experience helped me discover more about myself. I'm thankful to Elpro for shaping who I am — and that's why I've rejoined in Grade 11 to continue my journey of growth.”

Harsh Kothari
Ex-Student, IGCSE Batch of 2024

“I’m truly grateful for the constant support and encouragement I received over the last two years. The teachers’ guidance, helpful resources, and well-structured mock exams gave me the confidence to perform my best. The collaborative learning environment helped me see new perspectives, while sports and co-curricular activities kept me active and balanced. My time at Elpro taught me resilience, teamwork, and the value of giving my best in everything I do.”

Yash Mandhania
Ex-Student, IGCSE Batch of 2024

Parent’s Testimonials

It is the fourth year of our journey with the Cambridge team, and we have seen Yashaj blooming into a capable, confident, compassionate person, he is now more aware, expresses himself and has a wider worldview. Loads of gratitude to the educators, who have gently nudged him towards this, the student to teacher ratio is amazing, so is the pedagogy and the course material.

Both Rati and myself look forward to continuing this journey.

Mr. Paritosh Shukla
(Parent of Yashaj Shukla)

As a parent, I do check his understanding of different subjects and he is able to understand all the concepts very well. The fear of transition from ICSE to IGCSE was made comfortable by the teachers and I am grateful to the teachers and happy on my decision of choosing Elpro school for my son.

Ms. Tanisha Sapru
(Parent of Siddharth Sapru)

Stages of Learning in the Cambridge International Curriculum at Elpro

Cambridge Primary (Age 5–11)

- Builds strong academic and thinking foundations.
- 11 subjects including English, Math, Science, and Global Perspectives.
- Four assessment stages: measure potential, give feedback, monitor progress, check achievement.
- Flexible and engaging curriculum adaptable to local contexts.

Cambridge Lower Secondary (Age 11–14)

- Broad, balanced learning across 11 subjects.
- Prepares learners for IGCSE or O Level.
- Uses MidYIS, Progression Tests, and Checkpoint exams.
- Emphasises deeper understanding, critical thinking, and independent learning.

Cambridge Upper Secondary (Age 14–16)

- Leads to Cambridge IGCSE or O Level qualifications.
- 70+ subjects promoting academic breadth and bilingual learning.
- Fair, varied assessments: written, oral, coursework, and practical.
- Globally recognised and provides a strong pathway to A Levels
