Our Mission:

To ensure that our learners achieve personal excellence and are ready for a technology-driven world, with futuristic skills. We strive to make strong individuals who are energetic, respectful, empathetic and focused, embarking on a journey of possibilities without the fear of failure.

Our Vision:

To be the premier educational institution that provides its learners with an environment that inculcates a growth mindset, instill universal values and to equip them with high Emotional Intelligence and technological skills to face the 21st Century. Elpro International School aspires to build a community of mindful, impactful and empathetic world leaders.

MORE THAN WORDS - EXPERIENCES THAT INSPIRE

"At Elpro, we're constantly inspired to do our best - especially when we see our seniors score 99.8% and become city toppers! The teachers break down every concept so clearly, and their support really helps us stay focused and motivated. It's a place where excellence feels achievable."

- Suhani Khandelwal,
Grade 12

"What I truly value at Elpro is how open and comfortable the environment is. Our teachers are more like mentors - they're always ready to guide us, whether it's about academics, ideas, or even personal challenges. You never feel judged, only encouraged."

- Rohan Jatana,
Grade 12

"Elpro gives us incredible opportunities beyond the classroom - from speaking at TEDxElproIntlSchool to debating at MUNs and competing in the Elpro Sports Fest. It's where I discovered that learning doesn't only happen through textbooks, but through every stage, court, and conversation too!"

EMPOWERING YOUNG MINDS - A NOTE FROM THE PRINCIPAL'S DESK

Dear Parents,

At Elpro International School, Hinjawadi, we believe that education is not just about academic success—it's about shaping resilient, empathetic, and future-ready individuals. Our school is a vibrant community where children are encouraged to question, create, collaborate, and lead.

As a parent myself, I understand the hopes and dreams you carry for your child. That's why at Elpro, we go beyond textbooks—offering a nurturing environment that balances academic rigor with values-based learning, creativity with critical thinking, and innovation with empathy.

Through powerful initiatives like STEAM Learning, Leader in Me, and our Mentor-Mentee Program, we ensure that every learner is seen, heard, and supported. From our youngest explorers at Elpro First Steps to the confident learners in higher grades, our goal remains the same: to inspire each child to discover their purpose and embrace their potential.

Together, let's raise a generation that not only excels in the world-but elevates it.

Warm regards,

Dr. Pallavi Mukherjee

Principal

Elpro International School - Hinjawadi

VISION, VALUES & BEYOND - FROM THE DIRECTOR PRINCIPAL'S DESK

Dear Parents,

Every child walks into school with a world of potential—and it is our privilege to shape that into purpose. At Elpro International School, Hinjawadi, we are deeply committed to creating an environment where learning is joyful, discovery is endless, and every child feels valued and inspired.

Our approach blends the strength of academic excellence with the richness of values, creativity, and 21st-century skills. Whether it's through engaging classrooms, vibrant hobby clubs, experiential learning, or leadership-building programs, we ensure that learning is not confined to four walls—it becomes a way of life.

We are proud to offer a space where students are not only encouraged to dream big but are guided and mentored every step of the way. It is this strong bond between teachers, parents, and students that makes the Elpro journey so meaningful.

Together, let's empower our children to grow into confident, compassionate, and capable individuals ready to make a difference in the world.

Warm regards,

Dr. Amrita Vohra

Director Principal

ELPRO INTERNATIONAL SCHOOL, HINJAWADI - WELCOME TO A PLACE WHERE LEARNING COMES ALIVE.

Why Elpro Hinjawadi ?

In Pune's vibrant Hinjawadi hub, our purpose-built campus has it all—modern classrooms, innovation labs, creative studios, and expansive sports arenas. Every space is designed to spark curiosity and inspire confidence.

How do we learn?

Our curriculum is inspired by international best practices, the CBSE framework, and early childhood philosophies like Montessori, Play Way, and Reggio Emilia. At Elpro, children learn to think critically, express themselves with confidence, and follow their curiosity - guided by nurturing educators who understand the art of child-centered learning.

What will your child gain?

More than academic success - character, resilience, and a love for learning that lasts a lifetime.

Ready to discover more?

Come explore Elpro International School. Where every journey is valued, every dream is encouraged, and every child thrives.

LEARNING THAT PROGRESSES - WITH EVERY MILESTONE

At Elpro International School, Hinjawadi, learning is a progressive journey—nurturing children from their earliest steps to their formative academic milestones. Our programs follow a CBSE curriculum, with the junior classes aligned with NCERT guidelines, and are thoughtfully tailored to meet the cognitive, emotional, and social needs of every learner.

Early Explorers

Pre-Primary Wing – Elpro First Steps

➤ This is where a child's learning adventure begins. Our Early Years program at Elpro First Steps builds a strong foundation through play-based learning, Montessori-inspired environments, and thematic experiences. Focused on developing language, numeracy, motor, and social skills, this stage nurtures curiosity, creativity, and a love for learning in a warm, secure atmosphere—setting the tone for a joyful educational journey.

Young Innovators

Primary Wing – Grades 1 to 5

In these formative years, students move from learning to read, to reading to learn. Our NCERT - based CBSE inspired curriculum is delivered through engaging activities, integrated learning, and hands-on experiences. With the introduction of STEAM education, hobby clubs, and the Leader in Me program, learners are encouraged to think critically, express creatively, and grow confidently—laying the groundwork for academic and personal success.

Future Leaders

Secondary Wing – Grades 6 to 8

➤ This stage empowers students to transform their ideas into action. With deeper academic focus guided by the CBSE framework, learners also explore leadership through MUN, Entrepreneurship, and the Mentor-Mentee Program. Enhanced by co-curricular depth and lab-based learning, students at this stage develop purpose, confidence, and a readiness to take on future challenges—both in school and beyond.

ELPRO FIRST STEPS HINJAWADI – A PROGRAM DESIGNED FOR EARLY EXPLORER

The Elpro First Steps (EFS) program at EIS is a thoughtfully curated blend of internationally acclaimed Montessori principles and contemporary preschool methodologies. Every aspect of the curriculum is designed to celebrate each child's individuality, foster independence, and unlock their unique potential.

To ensure every child receives the right balance of attention and care, each class is led by two qualified teachers who provide focused academic guidance. They are supported by two trained helpers who assist with day-to-day routines such as hygiene, meals, and overall comfort—creating a secure, homelike environment where children feel safe and nurtured.

At EFS, learning comes alive through a balanced mix of structured and exploratory activities. Children engage with a wide variety of age-appropriate educational toys, sensory tools, and learning materials that build early skills in literacy, numeracy, and communication. Foundational concepts like letters, numbers, shapes, and colors are naturally woven into everyday interactions—making learning intuitive, engaging, and joyful.

Our classrooms are warm, print- and visually-rich spaces that stimulate curiosity and self-expression. From guided reading and writing readiness to interactive math games, every activity is age-aligned and developmentally appropriate. With a strong focus on creativity, values, healthy habits, and social sharing, the EFS environment nurtures both heart and mind.

ELPRO FIRST STEPS – WHERE EARLY EXPLORERS THRIVE

At Elpro International School, Hinjawadi, **Elpro First Steps (EFS)** offers a warm, inspiring space where young learners grow with confidence and joy. Our unique program blends internationally acclaimed **Montessori principles** with the best of modern preschool practices.

Every moment at EFS is designed to **celebrate individuality, build independence, and unlock each child's unique potential.**
